HOT 'N' CREAMY

I'm looking at my March copy of **BLACK TAIL** and my mouth is watering for a delicious taste of ChocLair. Where I live, we don't have tip and touch booths at the peep shows, and maybe that's a good thing. I'd spend all my money going there to touch the pretty girls everywhere they'd let me. ChocLair, though, I don't know if I could just touch. I'd want to fuck her or have to cum all over myself with only a little touch to help me along. Her dark chocolate pussy looks mighty tasty. I'm so hungry for it, I'm going to have to jerk off on ChocLair's pictures right now. Again!

ADULTS AT PLAY

My wife and I took the kids to Florida and were smart enough to bring along the baby-sitter. I had read about Club Paradise in your March issue and wanted to check it out since we were going to be in Orlando. My wife insisted on going with me, but that didn't stop me from having a table dance with one of the dancers. It's a big place and the girls were all good-looking. My wife and I had a good time, and when we got back to the hotel, we checked on the baby-sitter and the kids and then went to our own room and fucked our brains out. My wife doesn't mind that I look at other women, just as long as she's the only one I fuck. She likes to look, too.

I buy **BLACK TAIL** for the layouts, but I enjoy the regular columns like "Black Sounds" and "Black Video Beat" almost as much. The photography is excellent, and so are the features.

*Jacob
Georgia*

SOUL SISTA

Of all the models I've seen in **BLACK TAIL**, Ivory is my

favorite. So, imagine my delight when I opened up the March copy and saw Ivory's pictorial and interview. I always read the interviews in the magazine and wondered when you'd get around to doing one with Ivory. Now I know that behind those gorgeous tits beats a heart of gold and a soul that's pure. I only wish I could touch the depths of her pussy as well!

DOUBLE THE PLEASURE

Because of **BLACK TAIL**, I had one of the hottest sexual experiences of my life. I bought your March issue on the way to visit some friends with my girlfriend. The guy and I had some business to take care of and my girlfriend and his wife went inside to hang out. In a little while, we heard them laughing and then it sounded like something was going on. My friend and I went in to see what was happening and found my girlfriend and his wife feeling each other up while looking at the magazine. The photos of Yasmine and Dominique made them horny, and they got the idea to try some girl-girl sex to see if they'd like it. "Hey, can we watch?" I asked, and they said, "Yes!"

My friend said he never thought he'd see his wife eat pussy, and I was just as surprised about my girlfriend. After they creamed on each other's face, my friend and I joined in and we had a foursome. We didn't swap partners, but I think we all wanted to.

Thanks, **BLACK TAIL**. The March 1996 copy will always stand out as my favorite!

BUTTERED HER BUNS

I only recently switched from buying another magazine to buying **BLACK TAIL**. I wanted to change because I had become bored with

my regular magazine, which seems to be in a rut with what they print. The models in **BLACK TAIL** are much more attractive, and I like that you regularly feature porn stars and dancers. In fact, it's because of the interview and layout of Coco Chanel that I'm writing [**BLACK TAIL**, MARCH 1996].

Everyone has the image of their fantasy woman or man in their mind. When I saw Coco Chanel, I saw the girl of my dreams. I'm not into women's feet or shoes, but I bet every foot and shoe fetishist who buys the magazine will cum on Coco's fetish shoes. I myself am made hard by that magnificent ass. The two-page photo on pages 78 and 79 is breathtaking. I wish to slide my dick between those milk chocolate cheeks and into her pussy so I can get it nice and wet, and then fuck her ass. I can tell by looking that it would be a tight fit. And that's what I'll be thinking about when I masturbate on the magazine.

If I see that the quality is the same every month, I'll probably subscribe in the near future. So far, **BLACK TAIL** is everything I want in a men's magazine!

DEEP BOOTY

All I can say is, Wow! Just when I think BLACK TAIL has issued an edition which can never be equaled, you come out with another amazing issue.

Mahogani has always been my favorite BLACK TAIL gal. She's got the sexiest booty I've ever seen and a succulent pair of tits to match. Every photo session she's done has been awesome.

I hope you bring Kenya back, because the lady is stacked. She's got tits just the way I like them, dark and plump. And, she's got an ass that screams, "Ride me!"

BLACK TAIL, you haven't disappointed me yet!

P.F.
Illinois

Mahogani and Kenya are bound to show up in BLACK TAIL again, but you don't have to wait to see Mahogani's newest spread. It's in our sister magazine, BLACK BEAUTIES, Volume 3, Number 1, on sale February 6th! Hurry, before the magazine sells out!

SEEKS STUD STARDOM

I'm sure every guy who watches porn movies wishes he could be a porn actor. I want to do something about it. I don't have a very long dick, but it's very thick and the women love it. And I'm a good-looking guy and I think I have talent. I've seen all of Ron Hightower's movies and I'd like to get in touch with him and find out how I can get into X-rated films. Please print his address in BLACK TAIL, as I don't know how else to get it and I buy the magazine every month.

Thank you.

SATISFACTION ACHIEVED

Most times, it's men who buy adult videos. But, with my boyfriend, I enjoy watching them as well. We have a really great sex life. I figured a movie would add a little more kink to our already hot and nasty sex sessions.

My first purchase was *Gimme Some Head*, with Jordan McKnight, whom we'd seen in BLACK TAIL. The day I received the movie, I locked the front door, put the tape in and stripped down to my bare essence. I masturbated and had one really hard cum.

I couldn't wait for my man to see this movie, especially the scene between Janet Jacme and Mr. Marcus, then I got my chance. My honey came over one morning

before work. He asked me to put the movie in and fast forward it to the scene I had been going on about. But he got the remote in his hand and took a look at Toy's scene, and Ice. Then, finally, the tape was at just the right point.

I took off my clothing and sat where I could watch him. He sat on the floor and lay back on the steps. He took out his gigantic cock and stroked it. I was on edge. I knew what was about to cum on the tape. Just as Janet took Mr. Marcus' hefty cock into her mouth, I went down on him. He could hardly believe what he saw. When the scene was over, I had sucked him into a nice hard-on. Then he got on his knees and presented me with his ass, because he knows I like to lick it.

After getting us very hot, I lay back and met his hard cock. It always fills me up. I knew when he was done, he would cum in my mouth. Needless to say, I was very satisfied with his reaction to the movie!

CLUB REPORT: BRASS KEY VIP

DETROIT, MICHIGAN

The Brass Key VIP at 8040 Livernois, Detroit, Michigan boasts "a girl for every man's fantasy." Thirty or more dancers of all shapes, sizes and gorgeous shades of brown perform topless nightly, plus well-known feature dancers

show up occasionally to surprise customers with a bit of extra spice. The club is open seven nights a week, from 6 p.m. to 2 a.m., with a \$6 admission charged after 11 p.m. The food is inexpensive—wings, sausages, hamburgers and fries—booze or beer costs "average," and cable television is available for those

who want to lower their blood pressure by tearing their eyes away from the girls for a while. For those

that want a more up-close treat, table dances cost \$10.

Sorry, but lap dancing is illegal in Detroit. And if 30 girls the likes of Lady

Sweetness, Red and Licka-D-Split only whet your appetite

and make you want more, customers can walk through the

MY LIPS, MY BUTT

**Nude model
Vicki calls herself
shy, but she
loves to strip
for the camera!**

BY IRV O. NEIL

Vicki is a deliciously pretty nineteen-year-old from Miami, Florida, who has fulfilled a personal dream by posing in **BLACK TAIL**. "I'd always thought about doing pictures, posing in books, and it happened!" she told me. All she did was have her boyfriend take a few pictures of her, which she sent in to the magazine. When our editorial staff saw how attractive and photogenic she was, they commissioned a shoot right away.

If you'd like to say hello to Vicki, send your letters c/o **BLACK TAIL**, 462 Broadway, Suite 4000, New York, N.Y. 10013.

BLACK TAIL: You're an art student, I understand?

VICKI: Yes. At a fine-arts college. I'm studying computer graphics. I want to design posters, magazine covers, billboards. Art is a natural thing for me. I have a talent for drawing and painting.

BT: How did you decide to pose for our magazine?

VICKI: It was my boyfriend's idea. One day I was at his house, and he was looking at magazines with women in them, and he said that I needed to be in one of those because I'm pretty and everything. He took pictures of me and sent them in, and one day **BLACK TAIL** sent a letter back saying they were interested.

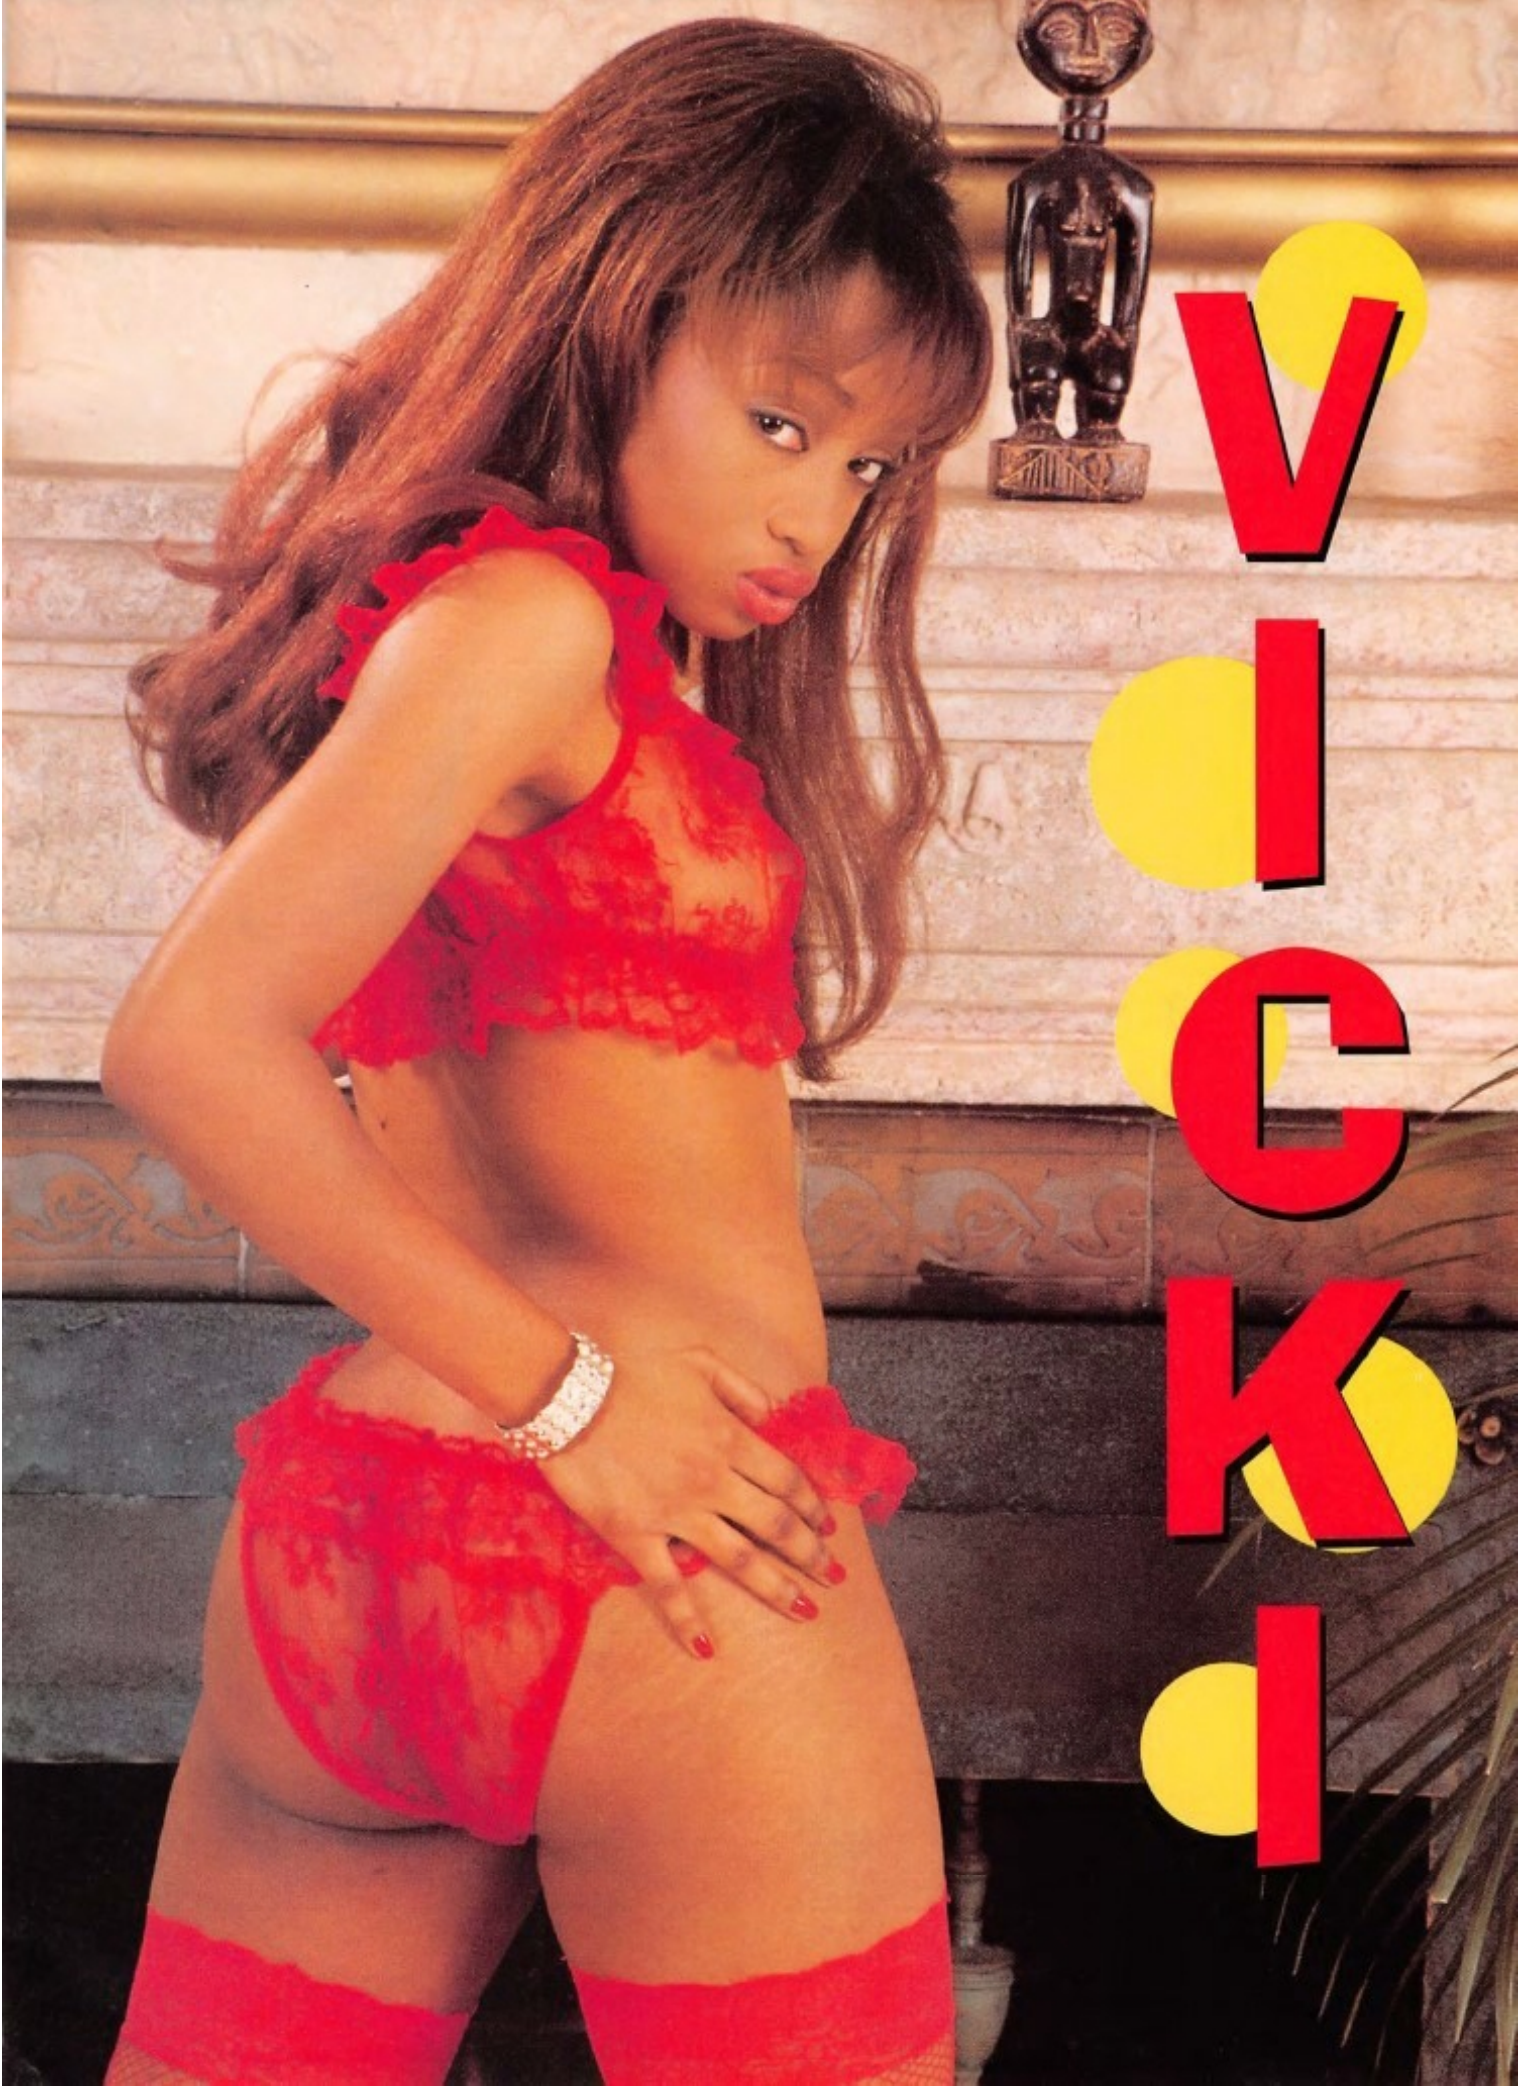

BT: Was this the first time you posed for erotic pictures?

VICKI: Yes. At first I was nervous, but after a while it was no big deal.

BT: Was your boyfriend there with you?

VICKI: No, but he dropped me off at the house where we shot the pictures.

BT: Afterwards, did you tell him all about it?

FRANCY

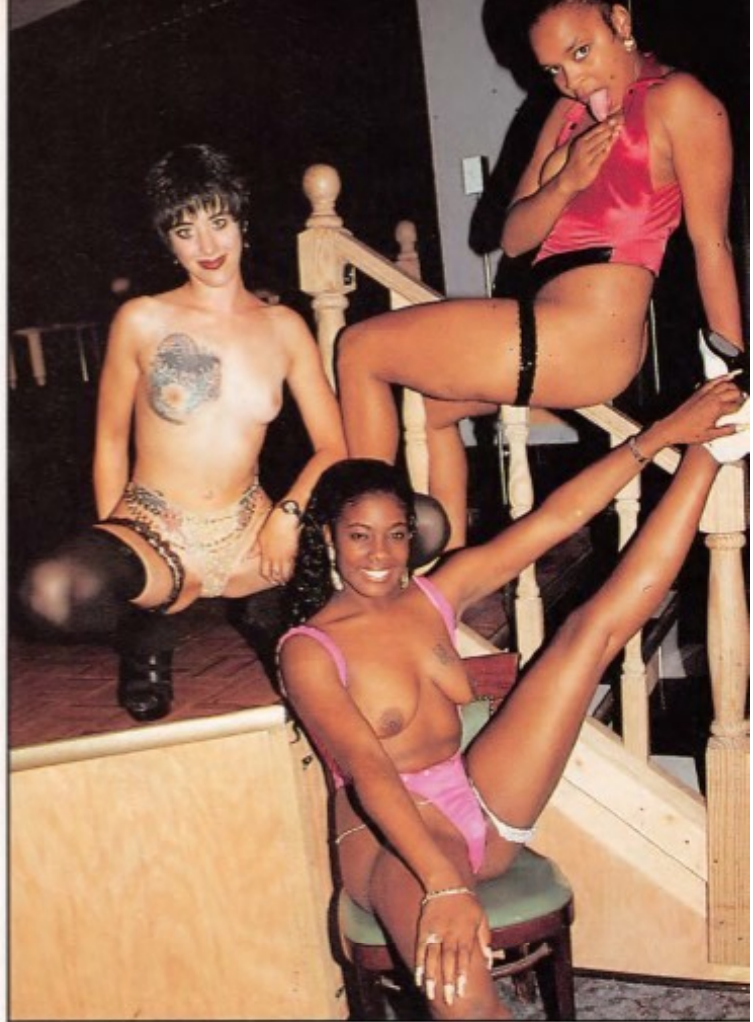

PORN STAR SPOTLIGHT

X-rated superstar Dominique Simone declares, "I want to make you cum and cum!"

BY DOMINIQUE SIMONE

It seems that rumors about my being out of the business still persist. I don't know why. I have so many new movies coming out, and I've been making personal appearances all over the country and have two new phone lines fans can call. I'm also going on the Internet to sell my collectibles, and I'm thinking about making my own movies, producing and directing, and I want to own my own video company. So, no matter what you read about my having quit the adult entertainment business, don't believe it. What I tell you in *BLACK TAIL* is the truth.

Three of my newest and hottest movies are *The Black Analyst* from Leisure Times, *My Baby's Got Back Part 6* and *Sista 3* from Video Team. In *Sista 3*, I star opposite Yasmine, Champagne's sister, with an all-black girl cast that includes Lana Sands, Ice and Tabitha. I play Tabitha's love, and let me tell you, this is a nasty video, so many wet, orgasming pussies. And it was so much fun to make.

I've been dancing a lot, too, spending time meeting my fans. In the past few months I've been to a few places in North Carolina, Dallas, Memphis, Philadelphia, New York City, San Francisco and Las Vegas. I want to thank the fans that came to see me, and I promise the rest of you that I hope to appear in your city soon.

In San Francisco, I met a married couple that came to see me. They told me they've been watching my movies for five years, and after we took some photos together, they invited me out for drinks with them. We swapped fantasies and she told me she's into toys and I said so am I. They wrote

me a letter saying they would like to get together again when I'm back in San Francisco. And I'm thinking, yeah, maybe that will happen.

In Texas, things got totally torrid! Most of the dancers were bisexual, and I could have had my pick of cute, horny pussy lick-ers. At one of the clubs, after the show, one of the house girls came back to my dressing room because she wanted to tell me how much she liked me. She touched my face, then my breasts and came on aggressively. She was so pretty, Hawaiian and Hispanic, very exotic-looking, and when she kissed me, I kissed her back.

Except in movies, it had been a while since I'd made it with a woman. I became very excited and pushed her down on the couch, licking her big breasts. After I made her nipples hard, I moved down to her pussy and gave her the tonguing she wanted so badly. But she wasn't self-ish. She insisted that she do me, too, and we scrambled into a sixty-nine and had a contest to see who could cum the most. We lost count of the orgasms, but I think it was a tie.

The next night, another house girl came to my dressing room with a glass of wine for me. She told me it was her birthday, so when I went on, I did a birthday dance for her. Later, she came to my dressing room again, to thank me and give me a rose and a teddy bear, but I could tell there was another reason she was there. Even more aggressive than the dancer the night before, this cutie made me feel like I'd never been with a girl before.

Another dancer, a beautiful black girl with huge breasts, didn't want me, but she kept flirting with my roadie. When she saw him, she asked, "Is he with you? 'Cause he's going to get fucked tonight." Needless to say, my

dressing room saw a lot of action, and I'm going back to Texas first chance I get.

I meet more and more women who are bisexual these days. I think some women turn to other women for sex because of what they've been through with men. Women are much more caring. I was never into women before I was in the business. In L.A., it seems to be the trend. Women you would never think of as bisexual are pussy eaters! Fortunately, my lover totally accepts my craving to be with a woman.

And while I'm on the subject of women, I want to make a comment about other black talent coming into the industry. If anyone wants my help, I would help them. I have over 500 videos to my credit, and I'm not threatened by another's success. We should stick together. I want to see other black men and women coming into the business do well. If I see someone doing good, I say more power to them.

I bring this up because of something Persia said about me in *BLACK TAIL*. She said I'm trying to copy her. I had my breasts done way before she had hers done. I wouldn't think of trying to compete with her. I don't have to. And what's really shocking is that we used to be friends. She got a video contract and now she wants to slam me and others, and I think that's very negative on her part. I'm friends with most of the newer black women in X. Janet Jacme is my best friend, I love her dearly, and I'm close to Spantaneus XTasty, Champagne, and Lana Sands. It's not my style to sound off, but I think a response to what Persia said in her *BLACK TAIL* interview is in order.

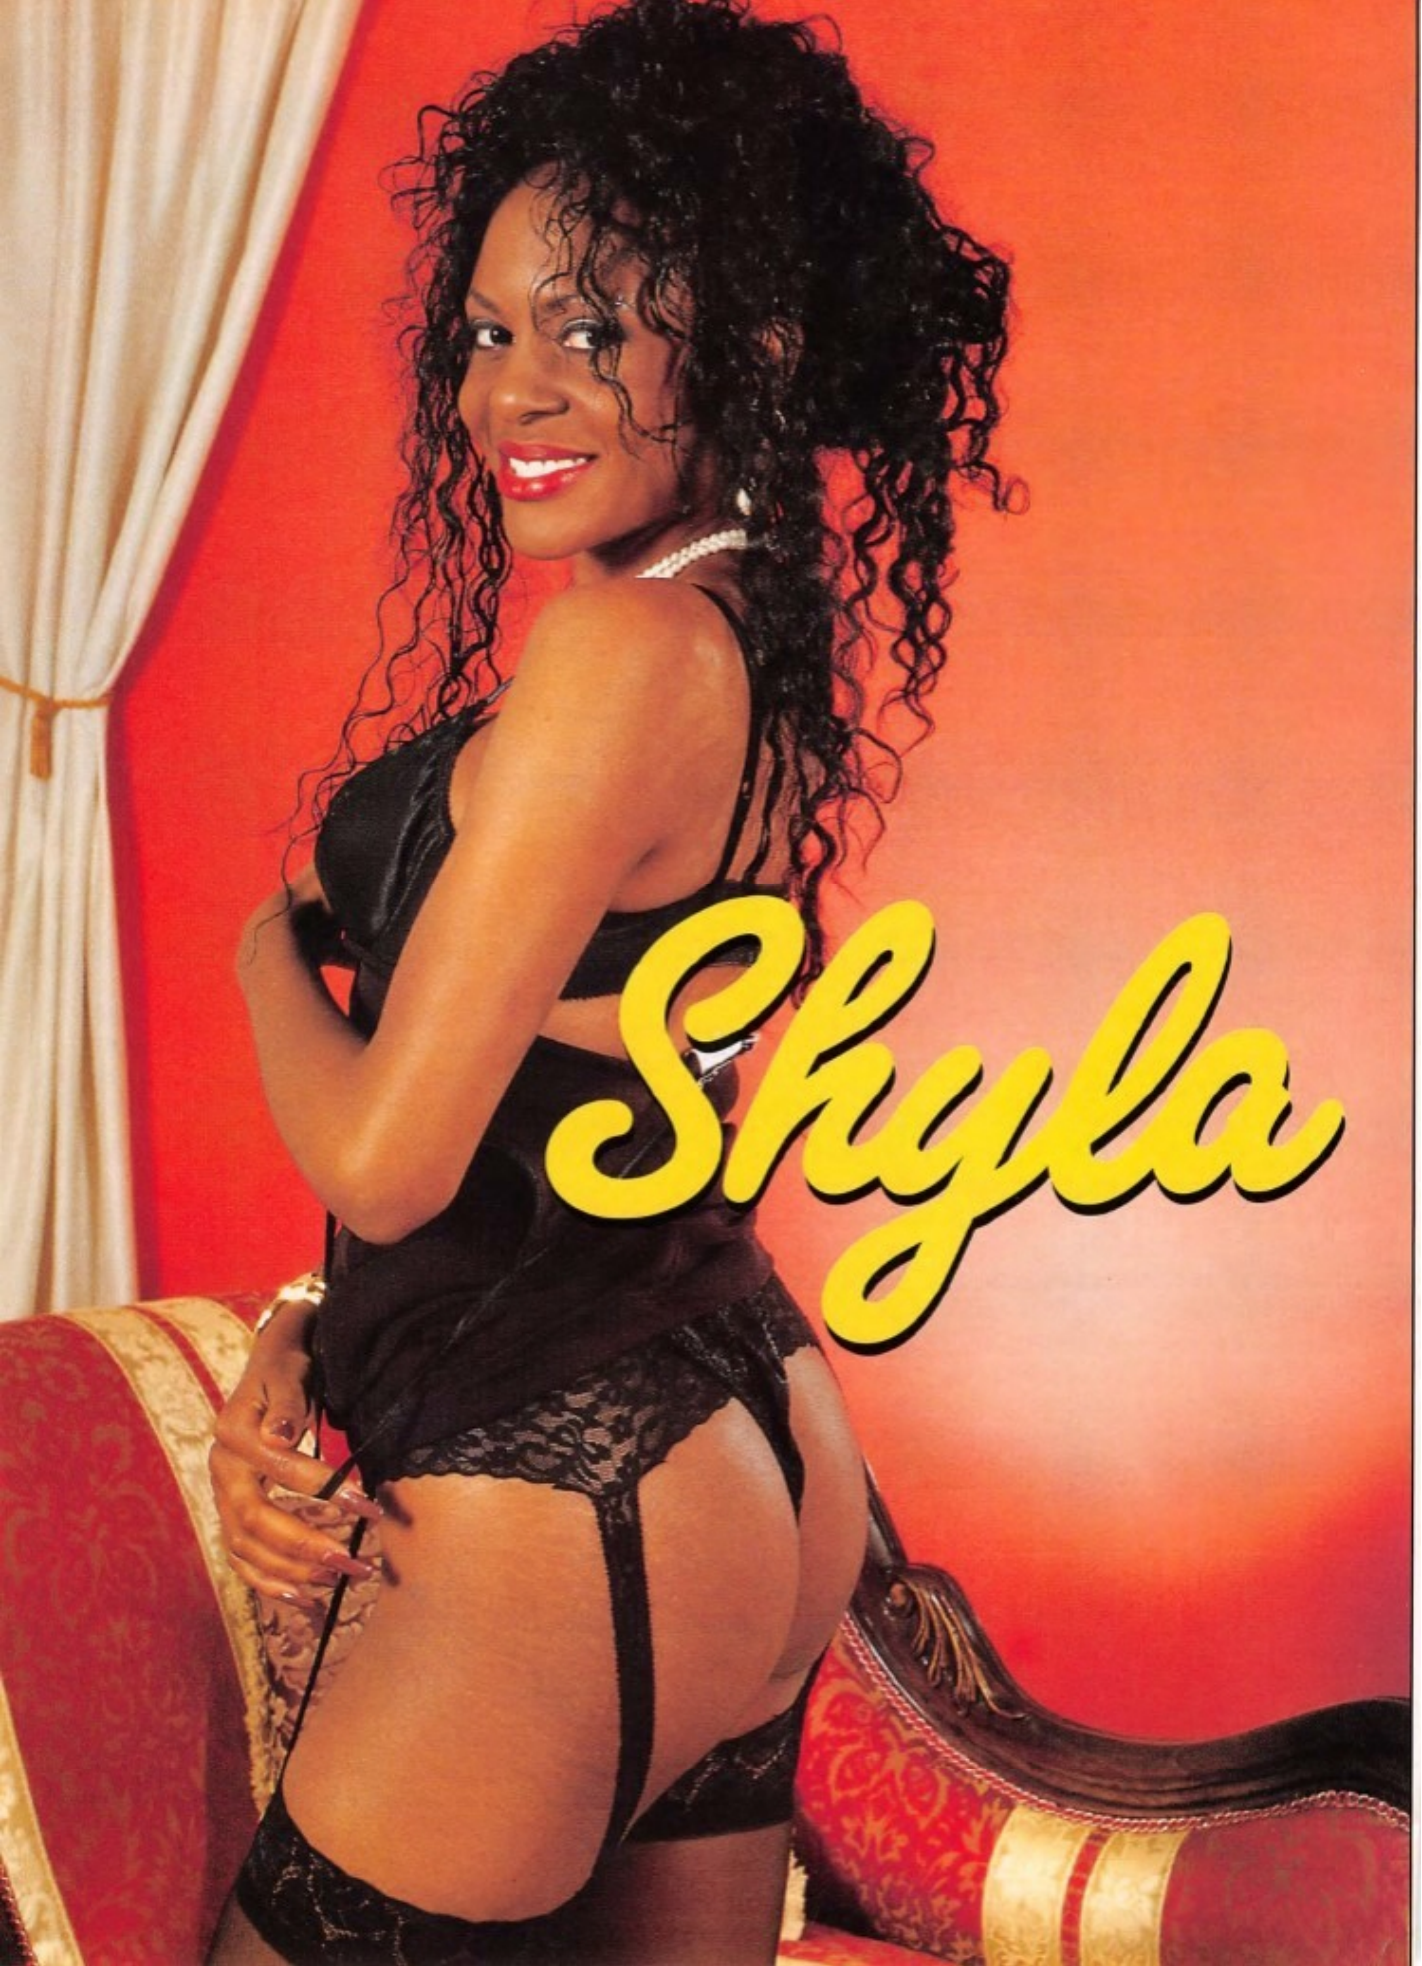

On a more upbeat note, I'm pleased to announce that I have

new phone lines. How'd you like me to wake you up in the morning? I provide a wake-up service for my fans. Plus, you can call me if you'd like me to tell you a bedtime story, or hear my most secret fantasies and naughtiest confessions. Or you can call up to hear about my latest movies and get my tour schedule so you'll know where you can come see me perform, then meet me and get an autograph. For what ever reason you choose, I'd really like to hear from you.

Happy orgasms!

If you wish to write to Dominique Simone, address your letters to the Dominique Simone Fan Club, 8721 Santa Monica Boulevard, Suite 116, West Hollywood, CA 90069. Or call Dominique's new phone lines. The numbers are 1-800-535-3050 and 1-900-435-1704.

A woman with voluminous, dark, curly hair is posing on a red, ornate couch. She is wearing a black, backless lace outfit with a high slit. She is smiling and looking over her shoulder. The background is a solid red wall, and a white curtain is visible on the left. The name "Shyla" is written in a large, yellow, cursive font across the middle of the image.

MODEL OF THE YEAR CONTEST

and the winners are

The Twins, when we contacted them, squealed with delight. They were sure that Jordan McKnight was going to win. For those of you who are interested, here's how the runners-up came in—#2 Jordan McKnight, #3 Kahlua, #4 Mahogani, #5 Persia, #6 Crown Princess, #7 Devin DeRay, #8 Anna Amore, #9 Jazmand and #10 Saxxx. Again, congratulations to EXscape and EXstasy, we love ya. And thank you to all of our wonderful readers who took the time to send in your votes. CLUB REPORT: BRASS KEY

DETROIT, MICHIGAN

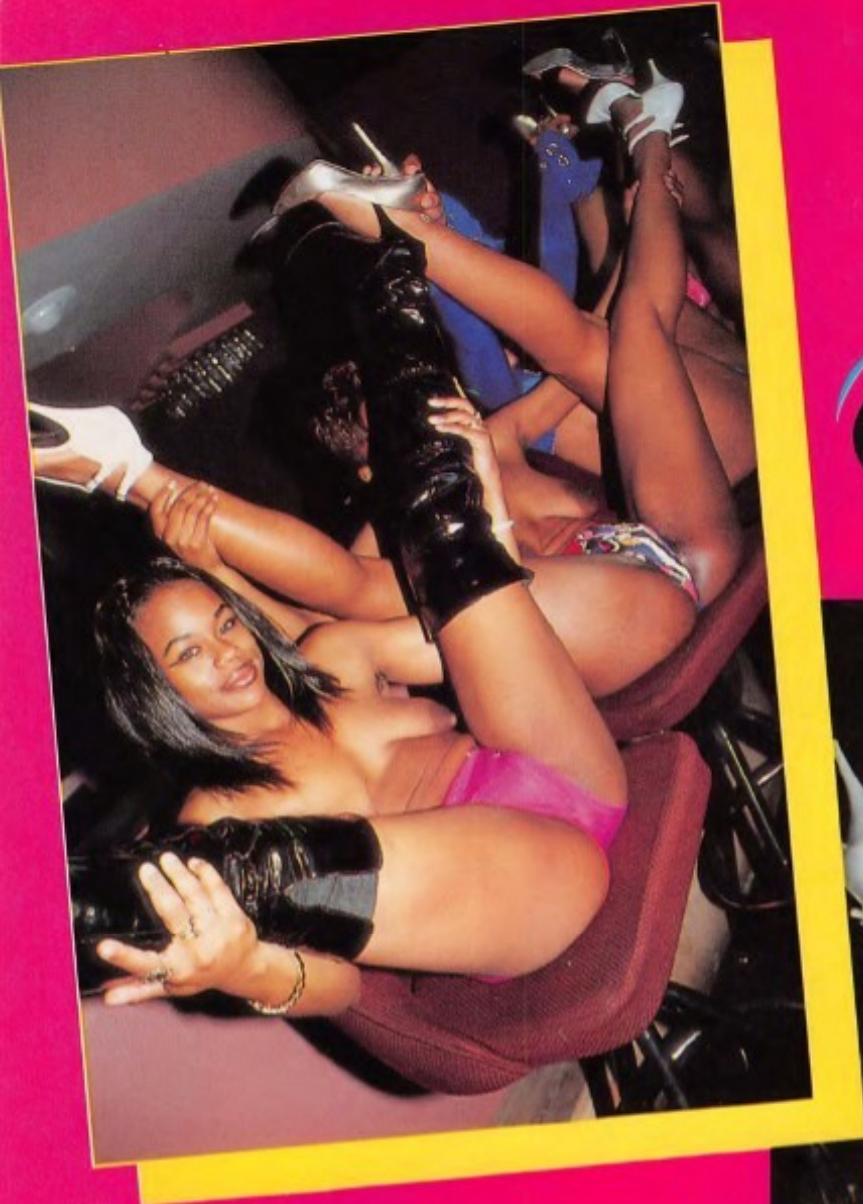

The Brass Key is connected to the Brass Key VIP (covered elsewhere in this issue of **BLACK TAIL**), and has its own entry at 8050 Livernois in Detroit, Michigan. While the two clubs are similar in many ways, the subtle differences are familiar to the Brass Key's regulars. A live deejay provides music for the 30 or more topless house dancers who perform seven nights a week, and any of the girls are available for \$10 table dances. The girls, tall and short, thin and heavy, cute, pretty and drop-dead gorgeous, fill the bill for any male fantasy dream girl there is. The club's hours are 6 p.m. to 2 p.m., there's a \$6 cover charge after 11 p.m., and food and drinks are reasonably priced. The telephone number is 313-898-0326. The bawdy babes in our photos are Ms. Luscious, Shy Ann, Nicey and Ice.

WILD AND EROTIC

"I love to look beautiful 24 hours a day," declares nude and topless dancer Divah Storm!

It's easy to see why Divah Storm has been a successful exotic dancer for several years. Besides her great looks, she's got a captivating personality, with plenty of lively Chicago style! Divah can be found at Legz Diamond's in Manhattan as well as Gordon's and Goldfinger's in Queens, N.Y. She can also be seen at parties at different New York City locations. To send a fan letter to Divah, or get information on her next appearance, write to her c/o Exotic Essence Productions, 332 Bleecker Street, Suite E34, NYC, NY 10014 or call 212-465-3200.

BLACK TAIL: You're from Chicago, originally?

DIVAH STORM: Mm-hmm, North Side. Born and raised in Chicago, 4600 North, Uptown. But I got my first apartment in Rogers Park.

BT: That's the neighborhood where I grew up. Well, what brought you to New York?

DIVAH: I was with this acting agency here, then my mom wasn't feeling good so I went back to Chicago. But then I came back here, started dancing, doing a little bit of modeling. I usually dance at Gordon's and Goldfinger's in Queens. I've been dancing since I was eighteen, and I'm twenty-three now. I like it, it's good exercise, and you meet a lot of people. I like entertaining people, because I think I have a good personality. Sometimes men will come there because they're

home," and, "Why don't you come to my house and we'll have sex together?" and blah-blah-blah.

BT: What kinds of sex do you like?

SILKY: Threesomes. As long as I'm enjoying myself, it doesn't matter if it's man-woman-woman, or man-woman-man. And as long as I'm friends with the people, and we only do it once in a blue moon.

BT: What kinds of men do you like?

SILKY: A lot of times, what turns me on is a beer belly—I call them pregnant! It's like they're six months pregnant. I also like men with muscles, and tall men—five-foot-ten, six-foot. I'm only five-foot, 110 pounds. 34C-25-35 1/2. I'm small, it runs in the family.

BT: What kinds of sex are you into?

SILKY: Oral, anal. I like anal sex the most. I like it in the ass. I love the doggy-style position. Another thing, I'm a romantic person. I like candlelight dinners, nice cool-out type of music. Enjoy my friend's company and get a chance to know each other. Sometimes men want sex on the first date, but I'm like "Your not going to get any sex unless I know you very well." I've been in one-night stands, but it hurt me, and now I'm older and more mature.

BT: How old, if you don't mind my asking?

SILKY: I turned twenty-five—two-five!—on October 27. I'm a Scorpio.

BT: What else do you like to do when you're not working?

SILKY: Listen to music, take long walks in the park. I like to socialize...as far as men are concerned, we can just be friends, go dating, but if they want a commitment—they have to love me and my

child. It's hard being a single mom. My daughter is three, and I've been through a lot for the last three years. But it's been pretty good since I've been dancing, and things are getting better. I have the support of my friends and family. One thing I'd like to say is, just be careful out there when you're dancing, when you're going home. Go home with some friends. If you take a car, cab, train, it doesn't matter—as long as you all leave the club safe, that's the most important thing. I know dancers who've gotten hurt...you hear it all the time. My best advice is, if you're dancing, be careful out there. As long as you have a buddy or two to go home with—that's the most important thing. The buddy system.

BT: Are there any danger signals a dancer should watch out for in the people she meets?

SILKY: Sometimes the men say, "I want to take you home." And I'll be like, "I'm okay," and just go about my way. Some men, forget it. But the good thing about being a dancer is that it's legit, and there's nothing wrong with it. I know they're trying to ban clubs around 42nd Street, here in New York City, but they can ban all they want—there are still clubs in Jersey, Connecticut. No matter where you go, you can still find them. And there's always going to be bachelor parties, too.

BT: What are some of the other clubs you've worked in?

SILKY: Bennie's in New Jersey.

BT: And if people want to see you at a bachelor party, they can contact you through Dynamite?

SILKY: Yes, and I want to get letters from the readers.

I want to know whether they find me attractive, like me...how they feel, things about their sex lives, too. And everyday stuff.

BT: Do you have any interest in doing videos?

SILKY: I'm willing to explore. I'm the type of person willing to learn.

BT: Do you ever watch X-rated movies?

SILKY: Oh yes! (Laughs.)

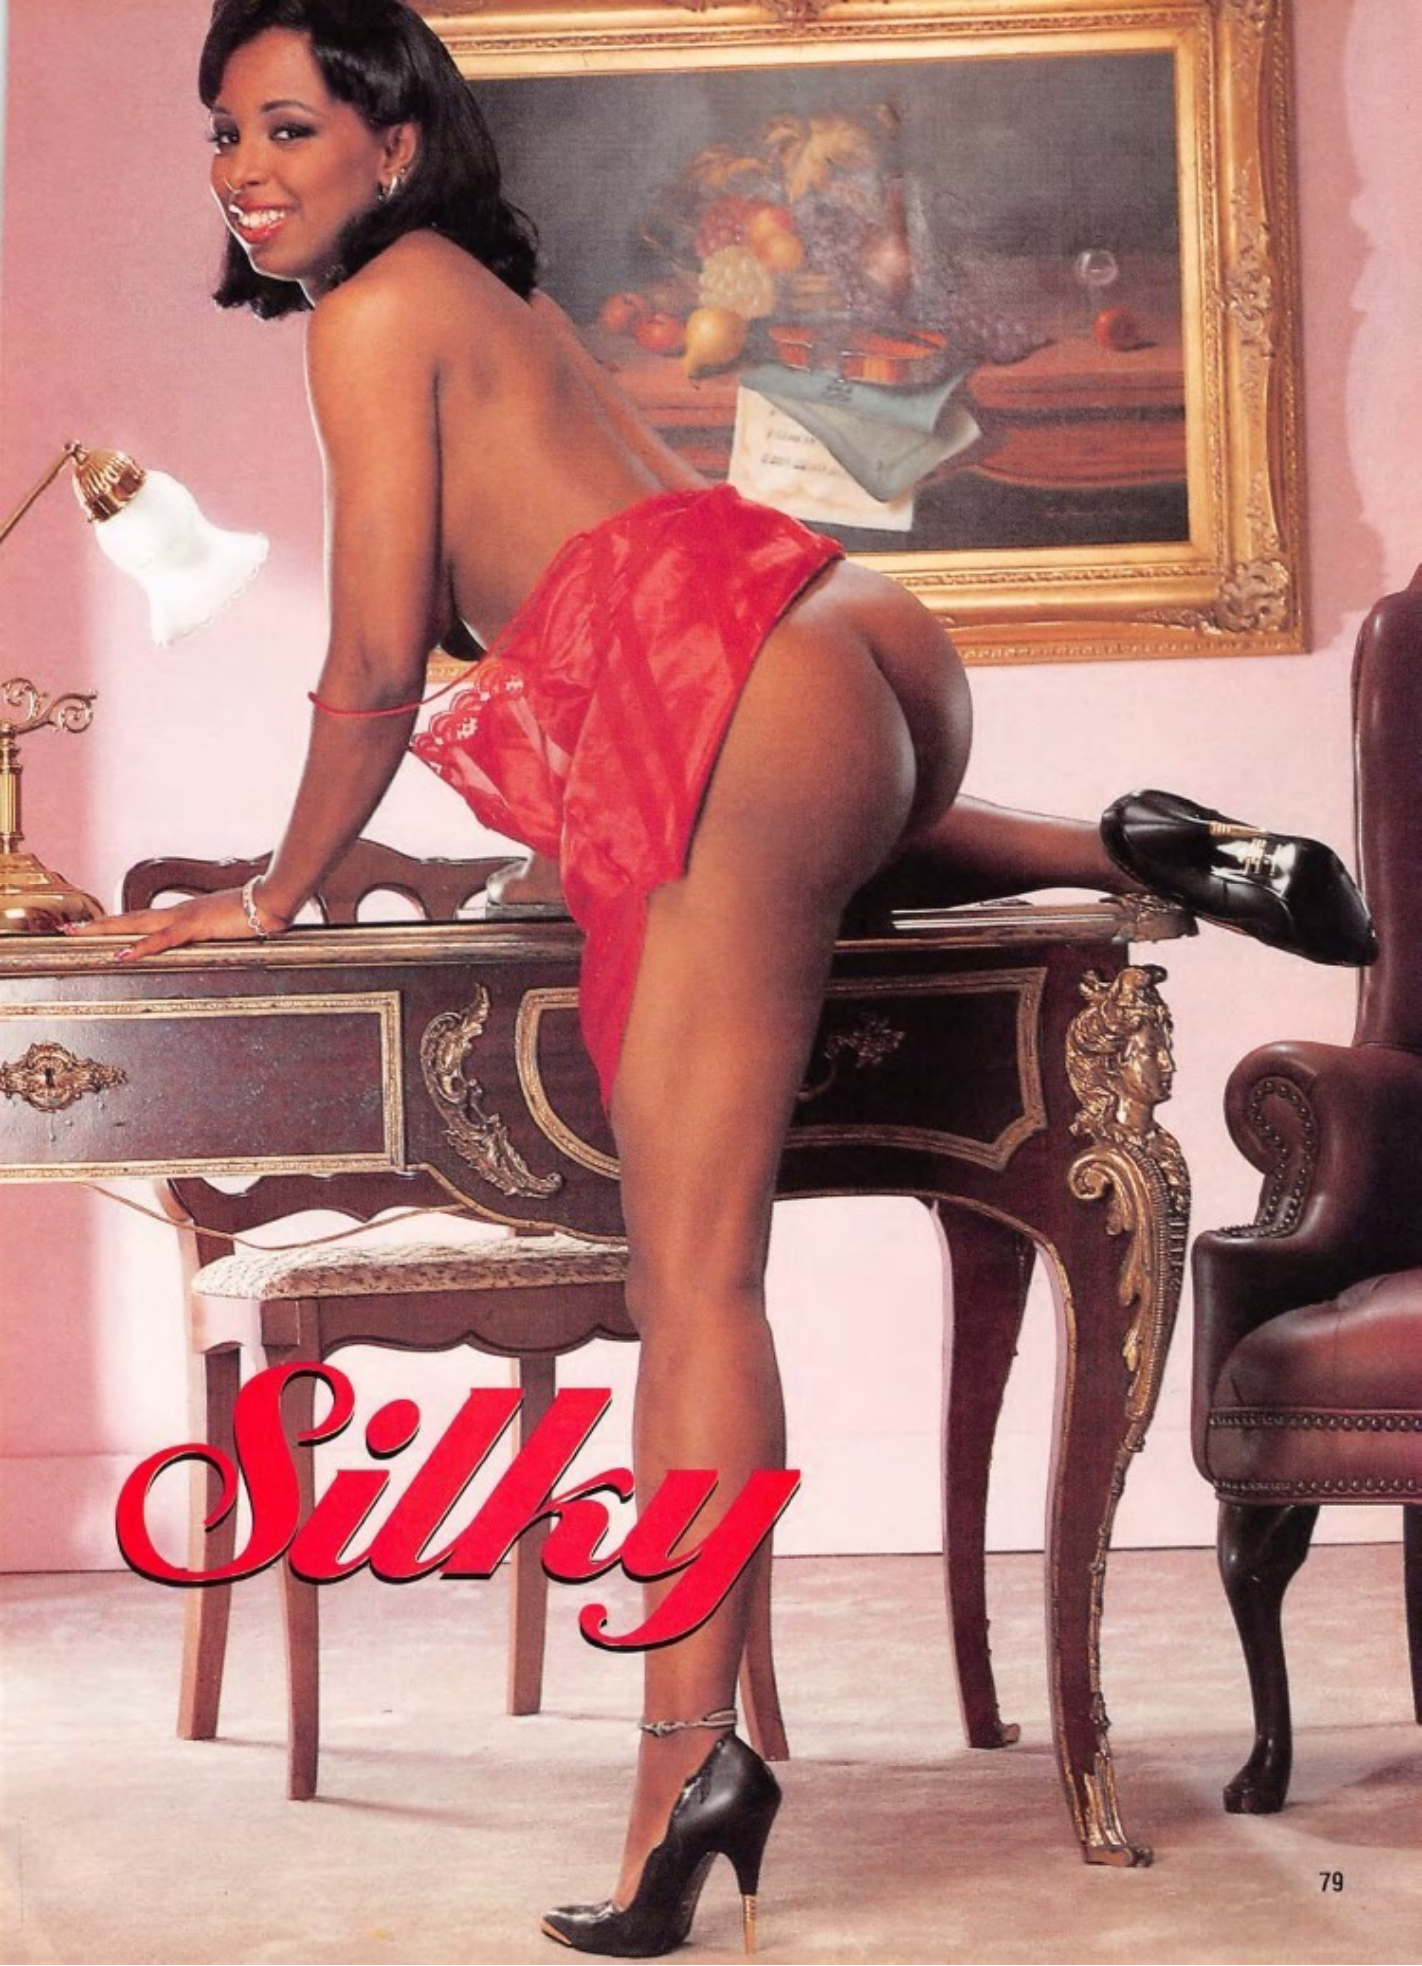

BT: Do you ever follow particular stars?

SILKY: There were a few people I wanted to meet, that I read about in *BLACK TAIL*. I've met Dynamite. Ebony Ayes, I'd like to meet her. She's a very attractive young lady who's been around for a while. And Dominique Simone. I see their tapes and I'm like, "Oh, I just want to meet them!" And Heather Hunter, too.

BT: Well, any last things you want to tell the readers about yourself?

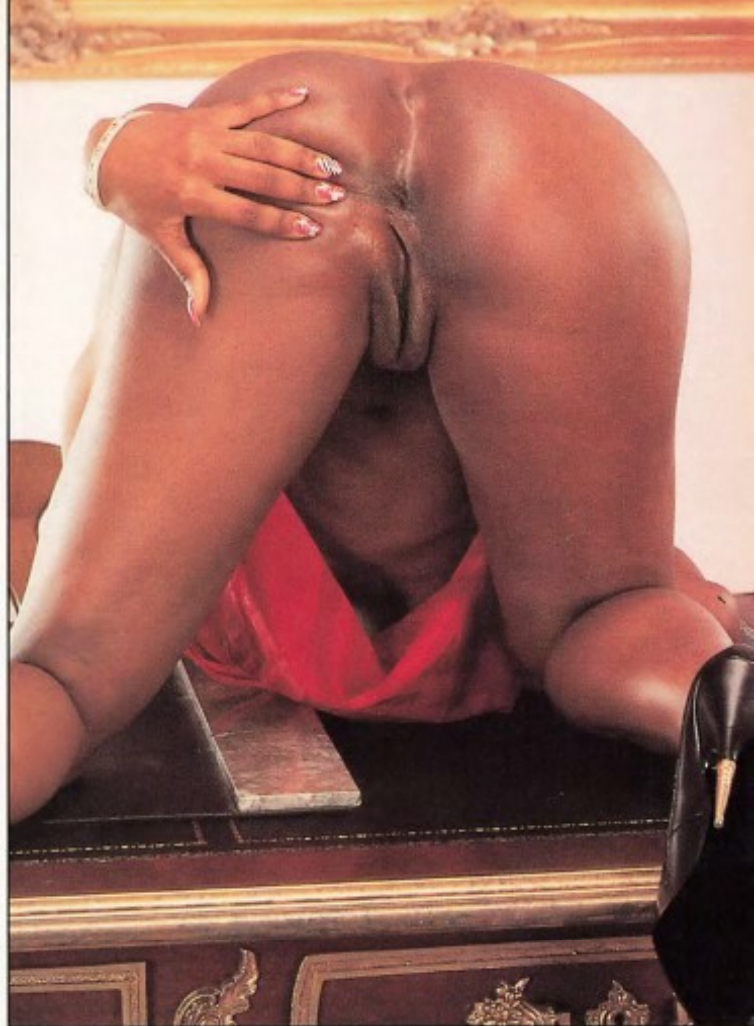

SILKY: I just want them to write those letters and support me all the way through my dancing!

CLUB

DETROIT, MICHIGAN

REPORT:

Loose Ends

Loose Ends opened its doors a year ago and has been attracting an increasingly larger crowd of racially mixed customers ever since. Located at 20226 Joy Road in Detroit, Michigan, the club opens at 4 p.m. everyday except Saturday and Sunday, when it opens at 6 p.m., and closes at 2 a.m. every night. There's a \$7 cover charge after 8 p.m. Drinks cost \$6 and up, a beer is \$4, and all kinds are available, including tap. House specials include such potent potables as the Blue Motherfucker, Long Island Iced Tea and the Screaming Orgasm. A free buffet of chicken, ribs and spaghetti is set up every day, and on the weekends, there's a moderate price charged for a larger spread that includes char-broiled steak, fries, soup and salad. The club's owners, Mark Robinson and Steve Johnson, let the customers pick the 15 or more topless dancers that perform nightly at Loose Ends. Monday is

Amateur Night, and crowd approval of the dancers determines who will be hired. The four talented jigglers in our photos are Jennifer, Tease Me Lisa, Gennine and the aptly named, Orgasm. The girls dance to R&B music provided by a live deejay and table dancers are available for \$10. Once a month, these lovely black sisters bring their props out and steam up their performances even more than usual. Owner Mark Robinson wanted us to be sure to tell you that the club offers valet parking, tight security and a pleasant atmosphere where customers can kick back and have a memorable good time. Telephone ahead to find out which night the girls will be putting on their hot, hot show. The phone number is 313-272-2549.
